## Invitation for Continuing Professional Education Session Guest Speakers September 12, 2009, 1815 hrs @ India International Center, Main Bldg. Max Mueller Marg, New Delhi

September 06, 2009

Dear Colleagues and Friends,

We are writing to you in continuation of our previous communication on CPE sessions to be held at ISACA New Delhi Chapter.

Last session witnessed overwhelming participation by members (existing and perspective) and we sincerely hope that your voluntary and valuable contribution to ISACA Delhi chapter would position us as 'Chapter of Choice' within ISACA network.

To keep the momentum going, ISACA Delhi chapter takes great pleasure in inviting our guest speakers of this month. We have included a brief profile our guest speakers in this invite and would like to draw your attention to the following program:

S.No	Time	Event	Speaker
1	1815 – 1830	Registration	Reception, India International Center
2	1830 – 1840	Welcome Address	Rahul Gupta, Director - Program Chair
3	1840 – 1915	Data Centre Management and Centralized Application – Implementation challenges	R S Kumar, AGM – Core Banking Solution, Punjab National Bank
4	1915 – 1950	key challenges in implementing Business Continuity and Disaster Recovery solutions	Vidur Gupta, Manager – IT Advisory, KPMG
5	1950 – 2000	Vote of Thanks	D Naaga Raju, President of the chapter
6	2000 – 2020	<b>Networking High Tea</b>	

Considering we are a not for profit organization, may we request you to confirm your participation over e-mail or phone not later than 10 AM on 11th Sept. 2009 to Mrs. Deepa Gupta at [ynj\\_deepaguptaa@yahoo.com](mailto:ynj_deepaguptaa@yahoo.com) / 9811660578 & Mr. John Vargheese at [vi\\_221@yahoo.com](mailto:vi_221@yahoo.com) / 9350896968 such that logistics could be arranged accordingly. We wish to state that Confirmations would be entertained on first cum first served basis upto the capacity of Hall.

We look forward to your participation.

Yours sincerely,

**Rahul Gupta**  
Program Chair

**D Naaga Raju**  
President

**John Vargheese**  
Secretary

## *About the speakers – Brief profile...*

**R S Kumar**

CISA, CISM, CAIIB  
Assistant General Manager  
Punjab National Bank

R S Kumar is the Head of the CBS- Data Centre of Punjab National Bank. He is CISA, CISM and CAIIB and presently working as Assistant General Manager – Core Banking Solution.

Mr. Kumar has vast experience in Information Security/Controls and very good expertise in implementing Core Banking solutions. He was nominated to head of the project management office for expansion of PNB overseas branch offices. He lead the initiative to get PNB certified on ISO 27001: 2005 and has been trainer on various IS governance subjects within PNB. He has been a contributory member of many committees of IBA, IDRBT besides many other committees of PNB. Mr. Kumar's contribution in financial inclusion for PNB has been widely recognized across the board.

At ISACA New Delhi CPE session, Mr. Kumar would be presenting his views on Data Centre Management and Centralized Application – Implementation challenges, security risks, internal and external threats & vulnerabilities in the current scenario of fast changing pace of the technologically innovative banking.

**Vidur Gupta**

Manager – IT Advisory  
KPMG

Vidur Gupta is a Manager with IT Advisory Services of KPMG in India. Vidur has more than 7 years of experience in Information Systems and Security audits and other assurance related services. Vidur is a Certified Information Security Manager (CISM) and Certified Information Systems Auditor (CISA).

Vidur has extensive experience of serving with clients across industry sectors. He has previously worked with consulting firms like Delloite & Touché and Ernst and Young

At ISACA CPE session, Vidur would be sharing his views on key challenges in implementing Business Continuity and Disaster Recovery solutions across industry sectors and role of information systems auditor in advising clients
